EDUCATION

Dr. A.P.J. Abdul Kalam Technical University

Bachelor of Technology in Computer Science and Engineering

Lucknow, Uttar Pradesh

2023 – Expected 2027

TECHNICAL SKILLS

Languages: Python, JavaScript, Java, C, SQL, HTML5, CSS3

Frameworks & Libraries: React, Tailwind CSS, Node.js, Express, Flask

Developer Tools: Git, GitHub, VS Code, Jupyter Notebook

Core Competencies: RESTful APIs, Data Analysis, Responsive Web Design, Relational Databases (SQL), DSA

EXPERIENCE

Software Development & Data Intern

Ediglobe

June 2026 – Sept. 2026

Remote

- Engineered an AI-assisted personal expense tracker to categorize and log transaction entries efficiently.
- Conducted data cleaning, exploratory analysis, and preprocessing on extensive COVID-19 datasets using Python.
- Collaborated in an agile remote environment, delivering assigned milestones and data pipelines strictly within project deadlines.
- Documented analysis workflows and presented data summaries to cross-functional mentors.

PROJECTS

AI Personal Expense Tracker | Python, Flask, Jupyter Notebook,

2026

- Designed and implemented an intelligent tracking application that analyzes and categorizes user spending habits.
- Built Flask-based endpoints to handle dynamic transactional inputs and summary requests.
- Executed exploratory data analysis in Jupyter Notebook to model spending trends and generate budget alerts.

Responsive Developer Portfolio | JavaScript, HTML5, CSS3, Responsive Design

2026

- Architected a fast, minimalist personal portfolio website showcasing projects, technical skills, and credentials.
- Implemented cross-browser compatible, mobile-responsive layouts to guarantee seamless rendering on all devices.
- Deployed the live application via Netlify with automated continuous deployment directly from GitHub.

CERTIFICATIONS

- **AI & Machine Learning Certification** – Ediglobe
- **Data Structures & Algorithms with Java** – Apna College
- **Full Stack Web Development** – iDigitalPreneur
